Mr. Hicken,

By this e-mail the Division is authorizing you to proceed on the proposed disturbance of an additional 4.4 acres, due to your concerns about the weather. The Division has received the complete amendment and the reclamation surety in the amount of \$14,000 for the additional disturbance. The last of the permitting is the signing of an addendum to the Reclamation Contract which we are mailing to you for signature.

The Division appreciates working with conscientious operators such as Mountain Valley Stone.

Sincerely,
Susan White
